United States Court of Appeals
For the Federal Circuit

NOTICE OF APPEAL

PLEASE TAKE NOTICE that Caustin L. McLaughlin, Plaintiff-Appellant, hereby appeals to the United States Court of Appeals for the Federal Circuit from the Order dated February 7, 2025, entered by the United States Court of Federal Claims in case number 25-141C. That Order, among other things, directed the transfer of this action to the United States District Court for the District of Maryland.

Plaintiff-Appellant contends that the lower court erred by construing his independent claims of illegal exaction and taking—claims which, under the Tucker Act, traditionally fall within the jurisdiction of the Court of Federal Claims—as inseparable from his social security benefits claim, thereby mandating transfer to a forum lacking appropriate jurisdiction for those issues.

This appeal is taken pursuant to the applicable rules governing appeals from the Court of Federal Claims, and Plaintiff-Appellant reserves the right to supplement and amend this Notice as necessary.

Dated: 3/1/2025

Respectfully submitted,
